Hi Lucretia – I’ve gone through all foias closed since 1/1/14. The ones I think maaaaaaaaybe might have hit the 250 limit. I still think the likelihood is small, especially on the contract FOIAs. I’d talk to Julie Van Horn on those, she coordinated/reviewed everything. The other one, I don’t know – you can look at the responsive materials and may talk to Dan or Erin.

Let me know what else you need. Thanks!
